"Truth or dare?" she asks. I hesitate. "Truth," I say, finally. "I can imagine one of your dares, and I don't fancy running down Oxford Street naked tonight."

"Truth," says Alice slowly, drawing out the vowel sounds as if she's savouring the word. "Are you sure? Are you sure you can be completely honest?"

"I think so. Try me."
 "Okay." And then she looks at me curiously.
 "So. Were you glad, deep down? Were you glad to be rid of her? Your perfect sister? Were you secretly glad when she was killed?"

Katherine has moved away from her shattered family to start afresh in Sydney. There she keeps her head down until she is befriended by the charismatic, party-loving Alice, who brings her out of her shell.

But there is a dark side to Alice, something seductive yet threatening. And, as Katherine learns the truth about Alice, the women's tangled destinies spiral into an explosive and devastating finale.

their horses down the long, shale-scattered slope into the frontier town of Appaloosa.

Below them lies rancher Randall Bragg's new fiefdom. Ever since he gunned down Appaloosa's marshal, Bragg and his men have owned the town, stealing, beating, murdering with impunity – living off it like coyotes feeding off a buffalo carcass.

Summoned by Appaloosa's oppressed aldermen, Virgil Cole and Everett Hitch are here to restore the rule of law. They've done it before and they know what to do only too well: shoot quick, shoot clean, reload.

But they aren't the only new arrivals in town. The enigmatic Mrs Allison French has stepped off the train with only a dollar to her name, a keen sense of survival, and a good eye for a strong man.
